INDUSTRIAL TOOLS TRADING L.L.C

Since 1998

► **POWERFUL SOLUTIONS**  
**FOR YOUR**  
**POWERFUL NEEDS**

## About Us

**SUPREME INDUSTRIAL TOOLS TRADING LLC** established in the year 1998, is lead by a team of dedicated Professionals & Technical staffs. We are the authorized dealers of MAKITA and DEWALT-POWER TOOLS, ABAC Air-Compressors (Italy), GGA Air-Compressors (Italy), BALMA Air-Compressors (Italy), ELGI Air-Compressors (INDIA), STRONGHOLD- Garage Equipment (P.R.C), XCPC - Filter / Regulator / Lubricator (P.R.C). We are dealing with Welding Machines & Accessories, Hand Tools, Fasteners, Construction & Safety Equipment, Personal Protective Equipment, Electronics & Electrical Testing / Measuring Instruments. Our clientele includes government, semi government and large private organizations in and around United Arab Emirates. Our prices are very competitive, with no compromise to the quality and services. Our success and reputation are purely being built on highly effective, prompt and efficient service along with high quality products from leading manufacturers, which we have invested in during the past 25 years to remain as our big asset.

JIG SAW

HEDGE TRIMMER

# Petrol Engine Tools

Petrol engines run at higher rotation speeds than electricity, partially due to their lighter pistons, connecting rods and crankshaft (a design efficiency made possible by lower compression ratios) and due to petrol burning more quickly. Speed and efficiency of the tools are higher than electric tools.

## CIRCULAR SAW BLADE

- A. Solid wood
  - 1. Soft, Hard, dried and wet solid Woods.
- B. Laminated
  - 1. Laminated, HPL and Veneered Panels.
- C. Wood composites
  - 1. MDF, Plywood, Chipboard and Scoring.
- D. Nonferrous metals
  - 1. Aluminium, Nonferrous metals, Polymeric Materials and PVC.
- E. Ferrous metals
  - 1. Ferrous metals, Mild steel and Copper.
- F. Plexiglas
  - 1. Plexiglas
- G. Plastic materials
  - 1. Laminated panels with abrasive and Hard coating.
- H. Solid Surfaces
  - 1. Corian board, Solid Surfaces and Similar Materials.

## DIAMONDS

- A. Nonferrous metals
  - 1. Fire Rated Aluminium
  - 2. Cladding
  - 3. Grooving Blades
  - 4. Grooving Bits
  - 5. Router Bits

## BANDSAW BLADES

- 1. Wood
- 2. Steel
